## Garmendia Macus S.A

### Regulation (EU) 2016/425

Module B, EU type-examination

Issue 1

PPE Product

Technical Traje model ALASKA/SIR3404 re-usable protective rain suit comprising a hooded-jacket and separate trouser, made of a 60% PVC, 30% polyester tricot and 10% polyurethane material with a combination of stitched and welded seams. The jacket features a front zipper with a hook & loop closure, two front pockets with covering flaps, elastic inner cuffs and a ventilation opening in the back. The hood has chords with toggles and can be concealed within a zipped compartment in the collar. The trouser has ankle openings with adjustable snaps and an elasticated waist. Available in 7 nominal sizes, in green, orange and yellow colours.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to meet the applicable Essential Health and Safety Requirements in Annex II of Regulation (EU) 2016/425 Personal Protective Equipment

The following have been applied:

EN 13034:2005 + A1:2009 (Type 6: Re-usable, full-body protective clothing offering limited protection against liquid chemicals).

Additionally, Clause 4.14 of EN 14325:2004 (Material resistance to ignition).

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 19 (c) of the Regulation are implemented and maintained while the model is in production

Certification is based on technical file reference: ALASKA/SIR3404 (V 4.0  
2018-07-30)

SGS Reference Number UK/CRS 238108.

1 The validity of this certificate may have to be reviewed in the light of new or amended harmonised standards

This certificate remains the property of SGS United Kingdom Ltd to whom it must be returned on request.
