Declaration of Undertaking.

We hereby confirm the following: -

The own brand PPE subject to the current application is physically identical to the original product.

Only product fully compliant with the original type-examination certificate will be supplied to the own brand manufacturer as the specified model.

We, the original manufacturer, will advise the own brand manufacturer of any changes affecting the validity of either the type-examination certificate and for category III PPE, the article 11 supervision.

Any proposed changes to the product will be sent to both INSPEC and the own brand manufacturer before proceeding with the change.

The original technical file, held by INSPEC, can be used to support the own brand manufacturer's application, including article 11 documents, if applicable.

Both the original manufacturer and own brand manufacturer will inform each other of any incidents involving the products covered by the agreement.

Any changes to either the product, the technical file or the quality assurance documents are identified on page 3 of this application.

For category III PPE – We confirm that the article 11 supervision undertaken by INSPEC / Other notified body covers the products subject to this application.

Where INSPEC is not the article 11 body, we confirm that have been advised of this own brand application and evidence of their receipt of this notification is attached / included
